Pricing

The SAP Ariba¹ Southern Africa fee schedule has been created to help you get the maximum value from collaboration with your customer, regardless of your company size or level of technical sophistication. In addition, you can process transactions from purchase order through to invoice electronically with our buyer community.

Subscription and Transaction Fees

There are two components that determine your total fees: an Annual Subscription Fee and Transaction Fees that are calculated based on the table outlined below.

Transaction Value (in ZAR)	Annual Subscription Fee (in ZAR)	Transaction Fees ²
Under 700,000	1,600	n/a
700,000 to less than 3,000,000	4,390	n/a
3,000,000 to less than 12,000,000	4,390	0.45%
12,000,000 to less than 120,000,000	7,000	0.45%
120,000,000 to less than 1,200,000,000	14,000	0.45%
1,200,000,000 and more	28,000	0.45%

Please note that low-volume suppliers (processing less than 12 transactions per annum) can select a Pay as You Go option. This allows suppliers to pay only fees on transactions processed and eliminates the Annual Subscription Fee or fixed fees until such time as the volume threshold is exceeded.
